

SCHEDULE AT A GLANCE

PLENARY

Plenary sessions put the spotlight on our invited keynote speakers. Tune in for the latest news on bleeding disorders.

PLENARY OVERVIEW

Plenary overview sessions will provide a more in-depth look at our plenary topics, providing a wider perspective on the subject with additional time allotted for discussion.

MEDICAL TRACK

The medical track will feature cutting edge research and the latest developments in the treatment of hemophilia and other bleeding disorders.

MUSCULOSKELETAL (MSK) TRACK

Sessions devoted to the latest trends in emerging techniques, to continue to raise the priority of musculoskeletal health in the bleeding disorders community.

MULTIDISCIPLINARY TRACK

Sessions providing educational content from a multidisciplinary perspective, including the psychosocial, dental, nurse, physician, physiotherapist, community member, and patient point of view.

WFH SESSION

The WFH Sunrise Session will highlight key updates on WFH programs and initiatives.

 PROGRAM IS SUBJECT TO CHANGE
