[More information](#)

Join our expert faculty at this symposium, during which:

**Hazzaa
Al-Zahrani**

**will explore the current hemophilia treatment
landscape and clinical practices in the Gulf region**

**Alok
Srivastava**

**Guy
Young**

**will share their insights in an interview-style
discussion on the latest clinical data with fitusiran
and key considerations for integrating fitusiran in
hemophilia care**

**The symposium will conclude with a Q&A session, engaging the faculty
and audience in a discussion on hemophilia management with fitusiran**

This is not a CME accredited program. This event is sponsored by Sanofi for healthcare professionals. Speakers will receive compensation for their participation in this event. This symposium is organized and sponsored by Sanofi on the occasion of the WFH Congress 2025, Wednesday April 23 – Friday April 25. Individual medicinal products that may be referred to during this symposium may not be authorized / licensed in all countries worldwide. Please consult your local Regulatory Authority for more information on individual products.
